

COMMUNITY & EDUCATION OPPORTUNITIES FOR HABITAT HOMEOWNERS

Release Date: Wednesday, November 30, 2022

Habitat Family—

I have an updated list of links & events that may be of interest as you continue growing & thriving as homeowners!

All opportunities on this list are **FREE and IN PERSON** unless otherwise indicated, and I hope that you all will consider taking advantage of any that you can!

This list is organized by the DATE or, for self-paced opportunities, the DEADLINE.
Please pay special attention to dates & deadlines indicated in **red** for each opportunity.
Please carefully read ALL details next to each opportunity to understand its timeline and requirements. If any interest you, I recommend that you register for and/or complete them as soon as possible, as some events have limited space and others with links may expire, change, or get taken down without notice.

SWEAT EQUITY CREDIT is available to CURRENT PROGRAM PARTICIPANTS for some of these opportunities, as outlined in the details next to each event. To receive Sweat Equity credit, you MUST carefully read & follow ALL the instructions. The instructions may vary, so it's vital to read them carefully if you want to receive Sweat Equity credit!

If you have any questions about these opportunities or other issues related to your home, remember you are always welcome to contact me at (864) 504-0291, my work cell.

Sincerely,

Carrie Vaughn
Associate Director of Homeowner Engagement

Winter Rain Barrel Workshop
